Favorable consideration of this application, as presently amended, is respectfully requested.

By the present preliminary amendment the claims are amended without prejudice to no longer recite any multiple dependencies, and to correct a minor informality in claim 9. Further, subject matter from canceled multiple dependencies is also now set forth in new dependent claims 13-18.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,
